

Company Letterhead

Date _____

TO: Cobb County Fire Marshal
1595 County Services Parkway
Marietta, GA 30008

RE: Testing, Maintenance, and Inspection of Private Fire Service Mains and their
Appurtenances

I _____ agree to follow the guidelines
Owner's Name

and procedures of the American Water Works Association as stated in their, AWWA M17 Manual for testing, maintenance and inspection of fire hydrants. We have in our possession all the gauges and tools required for testing, maintenance, and inspection. Consider this our request to be added to the approved contractor's list. This letter must be brought in to the Fire Marshal's Office along with your AWWA Manual in order to be added to our approved contractor's list.
